This action corrects a typographical error in the street address for the public hearing and provides notice of availability of a conference call-in number for the public to listen to the hearing. Additionally, this action provides notice that video recording will be allowed in the hearing room provided that it does not interfere with or interrupt the public hearing.

## **Updates**

The DATES section of the proposed finding and advance notice of proposed rulemaking published in the Federal Register on July 1, 2015 (78 FR 37758), provided information on the public hearing. This action updates that information.

The EPA will hold a public hearing on August 11, 2015 in Washington, DC, at the William Jefferson Clinton East Building, Room 1153, 1201 Constitution Avenue NW,

Washington, DC 20004. The EPA will provide the opportunity for the public to listen to the hearing through the following conference call-in line: 1-866-299-3188, conference code 1433527160. Please note that this conference line will allow the public to listen only; persons listening will not be able to give an oral presentation via the conference line.

Additionally, the proposed finding and advance notice of proposed rulemaking stated that no large signs will be allowed in the building, cameras may only be used outside of the building and demonstrations will not be allowed on federal property for security reasons. This update confirms that video recording will be allowed in the hearing room provided that it does not interfere with or interrupt the public hearing.

Dated: July 21, 2015.
